MARCH 2018

## Hobart, New York Site Honored for Manufacturing Excellence

Mallinckrodt has been recognized as a **Frost & Sullivan Manufacturing Leadership Award Winner** for outstanding achievement in the following **three** categories:

- ▶ Operational Excellence
- ▶ Supply Chain
- ▶ Sustainability

“ We are very pleased our Hobart site has been recognized by Frost & Sullivan’s Manufacturing Leadership Council for **manufacturing excellence** in not just one but three categories. The team has worked hard to **enhance processes and outcomes**, and we are proud of the employees’ efforts to ensure we are a supplier of choice when it comes to these important products. ”

- Dr. Frank Scholz  
Chief Operating Officer &  
Digital Innovation Officer

JUNE 2019

## Hobart awarded the National Association of Manufacturers’ Leadership Award

The **Leadership** award was bestowed based on the **Training Strategy Development** project, highlighting the facility’s dedication over a multi-year period to strengthening employee skill sets. The model involved hands-on training, coaching, and classroom training, creating a **more flexible** work environment and a great sense of **pride** among employees.

“ We are proud of the Hobart team and the global recognition two years in a row by the Manufacturing Leadership Council for our strategy development and deployment processes. Relative to this year’s Talent Management award, our new training strategy has driven **stronger capabilities**, and employees feel even more **proud of their contributions**. ”

- David Hollingshead  
Senior Director  
of Manufacturing

OCTOBER 2017

## Supply Chain Transformation Garner Global Recognition

Mallinckrodt received the **APICS Corporate Award of Excellence in Transformation** out-competing companies around the world with advancement on quality and service.

The Mallinckrodt team responded to rapidly changing customer demands by making significant improvements in customer service and inventory optimization that spanned working across Supply Chain, Manufacturing, Finance, Sales, and Quality. The **integrated team** developed and executed on **high-impact solutions**.

“ While I’m extremely proud of my team’s efforts, it’s the work across **different functional areas, site, and teams** that has produced truly impressive results. ”

- David Widder  
Senior Director of  
Supply Chain Planning
